

Connections

Can you even believe that it is 2007 ??

Community Training Connection was proud to represent our students as the sponsor of AB 2675, which allows ARF and Group Home Administrators to join the RCFE administrators in the ability to take 20 of the required 40 hours online.

We have submitted courses on Communication, Sexual Harassment, Business Ethics and Residential Care and Developmental Disabilities and Aging for approval for online CEUs. Our thanks to Assemblywoman Audra Strickland for her solid support and a special thanks to all of you who wrote letters of support for the bill. The bill passed easily and was signed by the Governor in September.

Our faculty has expanded in a big way for 2007. All of our new instructors have been screened very carefully to assure that each of them shares our commitment to training that is informative, lively and fun.

You'll see schedules for First Aid and CPR training in some limited locations. We can also bring the programs to your facility with a minimum number of people. Call us for information.

LAS VEGAS!!!!!!

Our annual program to both earn CEUs as well as have a great time continues— this year at the Excalibur Hotel. The 16 unit program will focus on behavior— A Realistic Approach to Behavior Change. We expect this to be a big hit, so register soon.

We continue to work with PrePaid Legal Services to offer membership are convinced that this is a useful product for small businesses. What could be better than having a law firm at your disposal to answer your questions, and be there for you in the event you are faced with a lawsuit?

As always, we are available for consultation on developing your program, preparing a licensing application, developing customized staff training programs, and working with you on corrective action plans.

Some people think of the number 13 as being unlucky. As we enter our 13th year of serving the residential world, we feel incredibly lucky! We have had the opportunity to meet, teach and work with people who are so committed to providing the best of service to those who depend on us. We hope the new year presents new opportunities for growth, learning and prosperity.
